

Marylebone Square

Community Update

Dear Neighbour,

We hope you are all keeping well, please find updated information regarding our Marylebone Square project

Our project

The works at Marylebone consist of constructing a collection of both high-end and affordable apartments over 5 storey, carefully chosen boutiques and restaurants, and a versatile community hall.

Progress update – November 2021:

The progress onsite is going well. The excavation nearly 87% complete, and aiming to be completed by the end of the year. The formation of the basement box has commenced, with the basement 1 slab at the south side of site and the south core progressing to level 1. In the coming months the you will see the core progress to the upper floors and the basement to lower ground floor.

Site held a very successful open doors where member of the public we able to walk around site to see the site progress.
